# August 2024

## Upcoming Fun

August is another fun filled sunny month for us here at Eden Heights. We have some super fun things planned, here is just a few wonderful things we have planned.. Sheriff's Dept to come in and show us a Canine Demonstration, Ted Burzynski is coming in to show us some neat tricks with a magic show, KC Studio will be back with a live musical performance along with Pete and Friends which is one of our favorites. We will also host our Community Bingo on the first Saturday of the month, everyone is encouraged to join in on the fun. Families are welcome and encouraged to join us for anything and everything. As our give backs continue, Operation Warm Hearts is next in line, details to follow!

## LET'S CATCH UP ON WHATS BEEN HAPPENING

July was a warm but we stayed cool and had so much fun.. We celebrated so many birthdays, Independence Day, had a day filled with summer fun and a beach Luau, we had live musical performances from some fun bands, Big Chillin' ice cream truck came and what a nostalgic time that was. Here at Eden Heights we had fun staying hydrated with our hydration station cart and of course some popsicles made for cool times. Our residents loved Blueberry Muffin Day and we had a HOOT for Richie's 90th! We had a successful turnout at our Summer Fun BBQ that we paired with Catholic Charities for to raise money for their program. A BIG Thank You to all that came to show support, we couldn't do it without you.
